

## RIOTERS STAB TWO AT DANCE AMONG WOMEN

Fight Follows Invitation to  
Unwilling Partner in  
Emerald Hall.

### KNIFE AND RAZOR USED.

Police Find Victims Lying on  
Street and Arrest Group  
Around Them.

After an all night dance in Emerald Hall, at Manhattan and One Hundred and Twenty-sixth street, there was a riot to-day, and when the police came they found two men stabbed and lying on the sidewalk at the feet of three young women and four men.

The injured men said they were John Maxwell, of No. 47 Manhattan street, who had been invited to a dance at Emerald Hall, and John Carey, of No. 54 West One Hundred and Twenty-second street, who had been out in the back with a razor.

They were taken to J. Hood Wright Hospital, where it was said their injuries were not serious. The four other men and three women were arrested. The women said they were Mary Davidson, twenty-two years old, of No. 15 Manhattan street; Margaret Bour, thirty years old, of No. 127 Amsterdam street; and Mrs. Minnie Perry, of No. 127 Amsterdam street. The men gave their names as Arthur Ames, of No. 24 West Thirty-third street; Charles Perry, of No. 27 West Fifty-fourth street, who is brother-in-law of Mrs. Minnie Perry; Samuel Hughes, of No. 264 Ninth avenue; and James Brady, of No. 244 Eighth avenue.

When the men were searched a bloody penknife was found on Ames and a blood-stained razor was taken from Perry's pocket. They were charged with felonious assault. Hughes and Brady were charged with being suspicious persons. Charges of disorderly conduct and intoxication were made against the women.

The police learned that Maxwell and Carey were at the dance when they took a fancy to Mrs. Perry, and asked her to dance, without the formality of an introduction. Mrs. Perry decided she had been insulted, and called for help from her brother-in-law and his three friends.

The fight started in the hall, and before the Perrys and their friends had been thrown to the street several knock-downs were scored. Carey and Maxwell followed to make their apologies to Mrs. Perry, when they were stabbed.

## 5,000 PEOPLE ATTEND FUNERAL OF RECTOR

Streets Crowded With Praying  
Men and Women for  
the Rev. Father Byrnes.

Five thousand people attended the funeral to-day of the Rev. Father James P. Byrnes, rector of St. Patrick's Roman Catholic Church, of Richmond, S. I. Clergymen of every denomination on Staten Island were present when Mr. Lavelle celebrated the requiem mass, assisted by the Rev. Father Henry, as deacon, and the Rev. Father McCarthy as sub-deacon. The streets about the church were thronged with people, the men standing with doffed hats and bent heads and the women praying. It was the most impressive spectacle of the kind ever witnessed on Staten Island.

As the church could only hold a few hundred, people were passed in relays to view the body and pray at the foot of the bier. Inspector Hogan had a large staff of mounted men and patrolmen patrolling the neighborhood. He had also a detachment of plain clothes men waiting at the ferry for Archbishop Farley, who was expected, but the Archbishop could not leave his residence because of diocesan affairs.

The Rev. Father Byrnes died on Sunday night from injuries received in a runaway two weeks ago while returning from the New York City Ferry Colony at Springfield, S. I., where he held services. He was immensely popular with all classes throughout the Borough of Richmond.

### BANK OF ENGLAND CUTS RATE OF DISCOUNT.

## RHEUMATISM

I want every chronic rheumatic to throw away all medicines, all liniments, all ointments, and get RHEUMATISM CURE. A trial. No matter what your doctor tells you, get this. It is the only cure. RHEUMATISM CURE. There are 190 doses in a bottle, and as one lady says: "Every bottle is worth more than a diamond of the same size." A few doses will take away all aches and pains, and a cure generally follows before one bottle is used.

## Live and Learn

Experience is valuable only when you profit by it. You have had your Drug Store experiences. Perhaps you have tried in Drug Store Goods where the feeling of absolute certainty as to quality did not accompany the purchase. Perhaps you have felt that every time you made a Drug Store purchase you paid an exorbitant price.

Riker's Drug Stores relieve you of every symptom of uncertainty regarding your purchase. Riker quality has existed so long that it is a staple article and exists wherever Riker's name appears. Riker prices are guaranteed to be lower, considering the high quality, than can be obtained elsewhere.

When you are in the vicinity of 34th St., just step into the New Riker Drug Store, Nos. 13-15. Finest in the world. Ladies' Rest Room, Sub. Post Office Station, \$30,000 Soda Fountain, Elegant Mahogany Fixtures. Largest and most complete Toilet Goods Counter in existence.
